

Midsegments of Triangles Calculator files

To accompany the activity found [here](#)

If the link is not active, go to <https://education.ti.com/en/84activitycentral/us/geometry> and find the activity in the Triangles topic.

MIDSEG is the basic file described in the activity.

MIDSEG1 includes the measurements needed for Problem 1 in the student worksheet.

MIDSEG2 includes the measurements needed for Problem 2 in the student worksheet.
